Information that THE Wedding Fayre....! holds

- We hold details on our database of brides who have registered at the door at our Wedding Fayres.
- The details are taken from our registration forms, where there is an opt in or opt out box
- We also hold details of brides who have registered on our website. These details are not given to the exhibitors unless the bride attends one of our wedding fayres (See above)
- This information is used to invite brides to our future shows.
- After each wedding fayre the brides list from that particular event is part of the information given to the exhibitors from the show only.
- Details are removed from our database 3 weeks before the given wedding date.
- It is NOT given to any third parties

***Please be assured that
we treat your information with respect***
